Subject: URGENT Request Related to Chloroprene Monitor Removal
Attachments: Letter to R6 Administrator McQueen_final draft.docx

Hi David,

Attached is the final draft of the letter to Regional Administrator McQueen requesting the continued operation of the 6 chloroprene monitors based on evaluation of the performance of the proposed SPod sensors and the potential associated impacts on the health of 5th Ward Elementary School students and St. John residents.

Please let me know if you have questions or require additional information.

A formal request will be sent to Administrator McQueen later today.

Thank you for your continued support and have a great weekend!
Vickie Boothe
